Thank you for joining us during our 25th anniversary celebration of Cologne Glad Days!

Here are some helpful pointers to make your day a great one!

Parade units will line up as they arrive. Please follow the directors on where to park.

Upon arrival, please check in at the public works building on Lewis Ave anytime between 10am and 11:30pm. All units must be in place by 11:30pm.

Please remember parade safety rules and info in your registration packets as all rules apply to staging area and parade route.

Along the route there will be Medical support from our local fire departments and Glad Days committee if you are in need of any help. They will have yellow vests on and radios to assist you. If you are in need of help and cannot find any the **emergency contact number is 952-994-1416** or find someone with a radio.

There will also be water available along the route or at the check in if needed. It will be hot so please make arrangement to keep hydrated during the day.

Please note there is a hill about half way through the route so watch your walkers and animals. Golf carts will be driving the route looking for people that may need assistance.

After the parade all units including tractors should return to the staging area. You are welcome to leave your parade unit there and come up to City Square Park for all the festivities that will follow. All parade units must be removed by Monday Morning.

Tractor Cruise participants will be escorted up to City Square Park after the last unit leaves for the parade route to park for the viewing party.

Thank You
